## Artesano - Troon Village

The most captivating views available in Scottsdale! Great room, and heart of the home, features a 45' wall of glass to take in the spellbinding views – that seem to go on forever. Situated high above the valley floor, this Jesse Hill Estate Home is the result of the utmost in thoughtful design and superior construction.

Gorgeous designer home can be purchased with most furnishings available by Separate Bill of Sale. Enter through private gates and enjoy the flowing hillside fountain that runs alongside the property.

7,200 sf private estate features a Owners Retreat with views to Pinnacle Peak that will take your breath away, 2 additional BRs on main floor, bar/office, wine cellar, incredible Kitchen with large island & 4 dishwashers, lower level guest quarters with full kitchen & laundry, upstairs bonus room with sauna and private balcony with fireplace.
