## New Listing | Desert Summit

Set in the heart of Troon, this remodeled single level home is spectacular: travertine and wood flooring in living spaces, formal living and dining rooms; updated kitchen with s.s. appliances including a gas range, dinette area, and island with breakfast bar open to spacious family room, and wall of windows framing a breathtaking view of Troon Mountain; and adjacent office. The oversized yard is exquisitely designed with a fire pit seating area, covered patio, cooking station, salt water pool with solar heating, and Troon Mountain as the centerpiece to create an impactful "WOW" factor.
