Entertainer's Delight

This Monterey built home with the popular Bellagio great room floor plan features custom touches and a lush backyard with up close views of Troon Mountain. Located in the gated community of Desert Summit, this impeccably maintained, three bedroom, two and a half bath home with a hard to find four car garage is just the right size at over 2,700 SQ FT.

The generous backyard showcases a large covered patio, new artificial turf, mature trees and flowering plants, a heated pool with waterfall feature, elevated lounge area and private fire pit, built in BBQ, and flagstone and paver hardscapes. Four large Anderson wood casement picture windows and sliding doors were installed to accent the views and allow for beautiful, natural light.

The large kitchen has a center island with seating, stainless steel appliances with gas range, granite counters, ample cabinet storage, breakfast area, and opens to the family room with a stacked stone accent wall, floating shelves and fireplace. The updated laundry room also serves as a butler's pantry with glass front cabinets and wine fridge. Other features include plantation shutters throughout, epoxy flooring in the garage, master suite with split vanities and large soaking tub, alder cabinetry, retractable awnings, and a front entry security door.
