Open Concept

Nestled on an almost half acre lot, this Monterey built home has one of the best open, great room floor-plans within the gated community of Desert Summit in North Scottsdale.

The private backyard backs to a beautiful desert arroyo and features an elevated spa cascading into the Pebble-Tec pool below, a built-in fire-pit with seating, large covered patio, built-in barbecue, grassy play area and mature landscaping throughout.

With just over 2,700 square feet, this perfectly sized home has three bedrooms and three full baths, and a bonus room/flex space. The soft contemporary feel make for easy appointments and classic styling.

The kitchen features a gas cooktop, breakfast nook, stainless steel appliances including a new dishwasher and microwave, built-in desk, granite tile counters, center island with seating, built in buffet, all overlooking the backyard and the great room with sleek built-in entertainment center and gas fireplace.

Additional features include a large master suite in a split floor plan, new interior and exterior paint, new carpet, three-car side entry garage, plantation shutters, surround sound throughout the home and outdoor spaces, and views of Troon Mountain from the front!
