An extensive remodel was completed in 2015 which included new flooring and baseboards throughout, interior and exterior paint, new granite counters, and back and side yard renovations. In 2020, full master bath and hall bath renovations including soft close cabinets, quartz counters, and fixtures were completed along with a new HVAC, new automated pool equipment, and new plantation shutters.

The backyard is perfect for entertaining with a three-hole putting green, astro turf play area, paver hardscape, fire pit lounge area, heated pool and covered patio.

The spacious, open floor plan has the kitchen with stainless steel appliances opening to the living spaces with a gas fireplace for seamless living.

Additional features include: a split bedroom floor plan, three car garage with automated single car garage door and built-in cabinetry, new wine bar with fridge, granite counters and display cabinets, new cabinets and hanging rack in the laundry, accent barn doors, window screens and front door security screen, HOA approved in-ground basketball hoop, and redesigned front yard landscaping.
