Soft Contemporary

An exceptional view lot sets the backdrop for this soft contemporary desert dwelling located in the guard-gated community of Desert Highlands.

Sitting high in elevation within the community, enjoy spectacular views of sparkling city lights and panoramic mountain views.

The spacious floor plan showcases three bedrooms (master suite upstairs, and two ensuite downstairs), three and a half baths with ten foot vaulted ceilings, numerous view windows for natural light, custom stained concrete and new hardwood floors, new carpets in the bedroom, newly painted exterior and interior, newly recoated roof, rounded architecture, maple cabinetry and solid core doors, and many custom details throughout.

The rear yard has lush green grass, oversized covered patio with Canterra column accents, and a Taliesin inspired centerpiece water feature.

The master retreat has a stone gas fireplace, and a private balcony with an attached spa-like bath featuring two walk-in closets, separate shower and jetted tub, built-in vanity, travertine flooring, and a bonus exercise/flex room.

This meticulously maintained home is a must see!
