4 Bed + Office + Media Room + Bonus | 3.5 Bath
10+ Car | 5,406 SQ FT

Non-HOA

Hard to find opportunity for the car enthusiast! Located in Pinnacle Peak Ranchos on a 4 plus acre lot, this spacious 5,406 square foot home is ready for someone to make it their own!

A completely paved drive brings you well off the main road to your own private enclave. The main garage at the side of the home features three garage bays (one for an RV!) that can accommodate 6+ cars in addition to the porte-co-chère and a circle drive for guests. The back garage has two oversized doors and can accommodate 4+ cars with additional parking around the structure.

Inside the home there is something for everyone including a formal living/dining spaces, open concept kitchen/family/breakfast area, large master bedroom with sitting area, large custom tub and shower in master bath and his and hers walk-in closets, and adjacent exercise room that could be an additional bedroom. Add to that a bonus/flex space with a wet bar, a media room with elevated seating, private office with floor to ceiling custom cabinetry book shelves, and two additional guest suites (one en suite and hall bath access for the other) split from the master. The large kitchen has a center island, ample cabinetry and countertop space, a walk-in pantry with an adjacent working pantry for additional storage and refrigeration units.

The backyard is fully fenced with a generous heated diving pool including a rock waterfall grotto, separate spa, gas fire pit, large covered patio with built-in barbecue, and a private view deck for panoramic views including area landmarks and Arizona sunsets.

High ceilings, lots of windows for natural light, wide hallways, custom oak-stained trim work, gas fireplaces in the family and master bedroom, and cabinetry throughout and generous sized rooms add to the wonderful footprint of this custom home.
