Captivating Sunsets

Stunning soft contemporary home in gated Talus at Troon North offers spectacular views. The home has been professionally designed with sophisticated, modern features and amenities. Overlooking the 5th Fairway of Troon's Pinnacle course, enjoy panoramic views of the green course, mountain peaks, twinkling city lights and the natural Sonoran Desert. The backyard showcases, not only the views, but a newly refinished pool and spa framing a boulder outcropping, tumbled travertine hardscape, expansive patio spaces for multiple lounging and dining areas, full outdoor kitchen including a Green Egg, burners, sink, storage, pizza oven, barbecue grill, and bar stool seating, fire pit area with seating, and putting green.

The interior is equally impressive with floor to ceiling windows flanking the living room to maximize the views. The living room has hand hewn beamed ceilings, corner fireplace with Basalt stone and metal accents mirroring the exterior stone details, and custom automated cabinetry discreetly concealing the entertainment area. The living overlooks the wet bar and dining area, which features rolled steel accents matching the living room fireplace, kegerator, ice maker, wine fridge, sink, bar top seating and glass light up display shelves.
