At 2,655 square feet, this two bedroom, two bath home also includes a private office with built-ins, formal living and dining spaces and a cozy kitchen. The backyard is tiered along with windows and doors all along the rear of the home to take advantage of the breathtaking panoramic views. Mature desert landscaping and flowering hedges allow for easy maintenance and a boulder waterfall feature offers a peaceful environment.

The travertine floors can be found throughout and were cleaned and sealed in 2023. The carpets in the bedrooms and office were installed in 2021. The kitchen includes a breakfast nook and access to a private patio perfect for morning coffee looking up to Troon Mountain. Granite counters and wood cabinetry highlight the kitchen along with a newer Subzero fridge, induction cooktop, Kitchenaid dishwasher, and wall ovens.
