Completely remodeled in 2022, this stunning home has been transformed with high-grade finishes and designer touches, elevating the builder's original floor plan into something truly unique, custom, and one-of-a-kind. Offering 5 bedrooms, 4 bathrooms, and 3,860 square feet of refined living space, this home showcases an array of premium features.

Inside, you'll find engineered French oak hardwood floors, smooth textured walls, 8-foot solid core doors with sleek black hardware, and a seamless blend of modern elegance and functionality. The gourmet kitchen is a chef's dream, featuring top-of-the-line Wolf and Thermador appliances, a pot filler, farmhouse sink, custom cabinetry with soft-close drawers, and a walk-in pantry.

The expansive primary suite is a tranquil retreat with a coffered ceiling and a spa-inspired bathroom complete with a steam shower, freestanding tub, warm champagne-toned fixtures, and a custom walk-in closet designed by Closet Factory. The open floor plan flows effortlessly into the family room with a gas fireplace, multi-sliding glass doors, and access to the entertainer's backyard.

Outdoors, a heated pool and spa, Baja shelf, 14'x14' Ramada with a built-in BBQ and teppanyaki grill, and lush landscaping with pet-friendly artificial turf create an oasis for relaxation and gatherings.
